

**Prayer for Peace in the year of the 100th anniversary of the day when
the first World War ended**

Oh Lord, accept the gift of our music as a passionate call for peace. As we do in our choirs, we listen to each other, so teach us, Lord, to love the best in us, that we respect it and share it. Don't let rule jealousy, anger and rage over the people. Take away war and other misfortune.

Jesus, Prince of Peace, give peace to our times, so that everywhere in the world harmony, joy and love may reign, now and in eternity. Amen
